Tips for Making a Good Confession

We should...

1. Examine our conscience regularly and thoroughly.
2. Wait our turn in line patiently.
3. Come at the time confessions are scheduled, not a few minutes before they are to end.
4. Speak distinctly but never so loud that we might be overheard.
5. State our sins clearly and briefly without rambling.
6. Confess all mortal sins in number and kind.
7. Listen carefully to the advice the priest gives.
8. Confess our own sins and not someone else's.
9. Carefully listen to and remember the penance and be sure to understand it.
10. Use a regular formula for confession so that it is familiar and comfortable.
11. Never be afraid to say something "embarrassing"--just say it.
12. Never worry that the priest thinks we are jerks. He is usually impressed by our courage.
13. Never fear that priests will not keep our confession secret. He is bound by the Seal.
14. Never confess "tendencies" or "struggles"--just sins.
15. Never leave the confessional before the priest has finished giving absolution.
16. Memorize an Act of Contrition.
17. Answer the priest's questions briefly if he asks for a clarification.
18. Ask questions if we can't understand what he means when he tells us something.
19. Keep in mind that sometimes priests can have bad days just like we do.
20. Remember the priests must go to confession too. They know what we are going through.

WORLD MISSION SUNDAY 2nd COLLECTION TODAY!
Do you know the date of your Baptism? Well, on that day, you became a missionary, called by our Lord to share your faith with those around you--and to be part of the Church's mission to the world. Jesus Himself directed His followers to go into the whole world and proclaim His Gospel--the "Good News" of His love for us--to all peoples (see Mark 16:15). That mission is now directed to each one of us. On World Mission Sunday, we have the opportunity to be a part of the Church's missionary work in Asia, Africa, Latin America and the Pacific Islands through our prayers and support offered to the Society for the Propagation of the Faith.

BAPTISM TIME CHANGE FOR NOV. 1ST ONLY

REVIEW YOUR FAITH
When does the first commandment forbid the making or the use of statues and pictures?

The first commandment forbids the making or the use of statues and pictures only when they promote false worship. An example of this would be using a medal, not to remind us of a saint, but simply as a good luck charm.

"True freedom is a wonderful gift from God, and it has been a cherished part of (our) country's history. But, when freedom is separated from truth, individuals lose their moral direction and the very fabric of society begins to unravel. Freedom is not the ability to do anything we want, whenever we want. Rather, freedom is the ability to live responsibly the truth of our relationship with God and one another."

St. Pope John Paul II
