Obligation of Assisting the “Poor Souls”

During the long captivity, God’s people, sitting on the shores of the Euphrates, moaned and cried in remembering Sion. So the Souls in Purgatory, plaintive and doleful, long for the joys of the heavenly mansion. They have had a glimpse of its glory and happiness, but because they were too much attached to earthly pleasures, they will be deprived, perhaps for a long time, of the celestial joys. They remember all the negligence of their former life, which now obstructs their way to Heaven. What sorrows! What remorse! Because they have preferred a moment of pleasure to the enjoyment of Heaven. Then the poor, desolate Souls accuse themselves, saying with the Prophet: “I know my iniquity, and my sin is always before me.” (Ps. 50, 5).

Since God has granted us the power of paying the debts of the “Poor Souls” with our works, let us appreciate this immense privilege. A noble heart should be delighted in relieving the poor, in consoling the afflicted, in bringing peace and happiness to those who suffer. Such is the privilege of those who assist the Souls suffering in Purgatory, because they deliver them from the hardest captivity and they open to them the gates of Heaven.

Moreover our charitable deeds for the “Poor Souls” will secure for us the gratitude of God Himself. “When,” said our Lord to His holy servant Gertrude, “a Soul is liberated by your prayers, I accept it, as if I had been Myself liberated from captivity, and I will assuredly reward you according to the abundance of My mercy.”

Perform today as an act of mortification or obedience for the relief of the “Poor Souls”. Be faithful in little things. Everything is great which is done for the Glory of God.

St. John Chrysostom recommended to every Christian family that they have a box at some convenient place in the house and that they put into it pennies, which will be used to have Masses said for the “Poor Souls”. Pray and give alms for the most abandoned Souls.

PLEASE PRAY FOR MEXICO

Although the impact at this time is unknown, all reports indicate that the torrential rain, intense winds, severe flooding and mud slides will have devastating impact on the people and region. Hurricane Patricia is projected to be the strongest hurricane in recorded history. Let us keep the people of Mexico in prayer and in a special way be united in support of our priests, religious, and laity of the Diocese who have family in the region. **We pray for all those being affected by the Hurricane in Mexico. We ask for God’s protection upon them. May we be attentive and generous in responding to the needs of the people.**
