J.M.J. 1st SUNDAY IN LENT February 22nd, 2015

It's Not My Fault!

The worse sinners are nice people who, by denying sin, make the cure of sin impossible. Sin is very serious, but it is more serious to deny sin. That is why those who very often deny sin become scandal mongers, tale bearers, and hypercritics, because they have to project their real guilt outside of themselves to others. And this gives them, also, a great illusion of goodness. It will be found generally true that the increase of fault finding is in direct proportion to the denial of sin.

--Bishop Fulton J. Sheen, Audiotape "Sin"

Lord Creator, we take this first step of our Lenten journey by admitting our sinfulness. We work to remove the ashes of sin from our souls. Shine the light of your grace on us so that we may be wise people in your service. Amen.

REVIEW YOUR FAITH

What is meant by "the resurrection of the body"? By "the resurrection of the body" is meant that at the end of the world the bodies of all men will rise from the earth and be united again with their souls, nevermore to be separated.

Why will the bodies of the just rise? The bodies of the just will rise to share forever in the glory of their souls.

Why will the bodies of the damned also rise? The bodies of the damned will also rise to share in the eternal punishment of their souls.
