CHOOSE LIFE – Pregnancy Hot Line (909) 398-4838

Virginia’s passage last year of a law requiring an ultrasound before an abortion procedure produced a torrent of angry protest from pro-abortion forces, alleging among other things that the law was part of a “war on women”. In fact, ultrasound is an essential part of informed consent beneficial to both mother and child. Perhaps abortion supporters are angry that once a woman sees her unborn child on ultrasound she is less willing or unwilling to abort it. NRL News, Spring 2012

Principles of LOVE, to effect Social Change

- 1. **Respect every man and woman**, because Christ lives in them. Be sensitive to the other man, your brother and woman, your sister.
2. **Think well of everyone**. Don’t think evil about anybody, but try to perceive something good, even in the worst.
3. **Always speak favorably of others**. Don’t speak evil about your neighbor, but correct injustice caused by words. Don’t effect discord among people. Unite the heart with the word.
4. **Speak the language of love with all**. Don’t raise your voice and especially do not curse. Don’t cause unhappiness or provoke tears, but appease and show goodness.
5. **Pardon everything to everyone**. Don’t hide grudges within your heart. Always be the first to extend a hand in harmony.
6. **Always act for the benefit of your neighbors**. Do good for each as you would want done to you. Don’t think of what someone owes you, but of that which you owe others.
7. **Be actively concerned with suffering**. Hasten willingly with consultation, advice, help—with your heart.
8. **Work diligently**, because others benefit from the fruits of your labor, just as you profit from the work of others.
9. **Join in social work to aid your neighbors**. Open your hand to the sick and poor. Give yourself. Strive to seek out the needy around you.
10. **Pray for EVERYONE**, especially your enemies.

“By this they will know that you are a Disciple of Christ” --Stefan Cardinal Wyszynski
