The Sublime Dignity and Vocation of the Priest

Jesus said: "The Harvest is rich but the laborers are few. Ask the Lord of the harvest to send more laborers." Essential to the extension of the Kingdom and the salvation of souls is the Sacrament of Holy Orders, that we call the priesthood.

One of the greatest priests in the history of the Church, who spent close to forty years in the Parish of Ars France, spending from 13 to 18 hours on a daily basis in the confessional, reconciling souls to God, commented on the indispensable presence of the priesthood. This was the Saint John M. Vianney, known as the Cure of Ars (1786-1859). This saint knew the extraordinary value of the priesthood: "A good shepherd, a pastor after God's heart, is the greatest treasure which the good Lord can grant to a parish, and one of the most precious gifts of divine mercy."

Let us listen to the exact words of the Cure of Ars and then translate them into the application in our spiritual lives. Some of the words and quotations of the Cure of Ars are overwhelming in depth and beauty but of the utmost simplicity. Let us read and meditate and then apply: "O how great is the priest! If he realized what he is he would die... God obeys him: he utters a few words and the Lord descends from Heaven at his voice, to be contained within a small host. Without the Sacrament of Holy Orders, we would not have the Lord. Who put him there in the tabernacle? The priest. Who welcomed your soul at the beginning of life? The priest. Who feeds your soul and gives it strength for the journey? The priest. Who will prepare it to appear before God, bathing it one last time in the blood of Jesus Christ? The priest—always the priest. And if the soul should happen to die (as a result of sin) who will raise it up, who will restore its calm and peace? Again the priest. After God, the priest is everything. Only in heaven will he fully realize what he is." The following will be a brief commentary on all the sublime functions the priest carries out so as to glorify God in heaven and for the salvation of the souls on earth.

If there is no priest, then there is no Holy Mass; if there is no Holy Mass, then there is no consecration of the Sacred Host; if there is not consecration of the Sacred Host then there is no Holy Communion; then if there is no Holy Communion there is no Sacramental Presence of Jesus. That means that we become spiritual orphans. We become like a ship without a port, an arrow without a target, a scout without compass... We wander through life aimless and with no clear purpose.

Dear Parishioners,

I regret to inform you that SB 128, Doctor Prescribed Suicide, just passed a full Senate vote, 23 yes to 14 no. The bill will now continue to the State Assembly, where we will work to stop it as it works its way through various committees. If SB 128 passes through these committees it will be voted on in the full State Assembly, if it passes the Assembly, Doctor Prescribed Suicide, will become legal in California. Before that we have a lot of advocacy to do.

Sincere thanks for your prayers, phone calls, e-mails and legislative visits. Together, we will continue to advocate for the poor, elderly, immigrants, ill and disabled who are threatened by SB 128.
