Yet another example of the ongoing flood of success stories with non-embryonic stem cells is that of three year old Alyssa Dupuis who suffered brain damage at birth that caused cerebral palsy. Her parents decided to bank her umbilical cord blood which was recently given to Alyssa via stem cell transfusion. Immediate positive results were seen and at last report this little girl, according to her mother, is “about 85% cured from cerebral palsy.” *NRL News*, 2010.

THE MOST HOLY BODY & BLOOD OF CHRIST
May 29th, 2016

We have an Eternal Calvary, the Holy Mass

Our Lord not only offered Himself as a sacrifice on the Cross, but He makes Himself a perpetual, daily sacrifice, to the end of Time. In the Holy Mass that one Sacrifice on the Cross once offered is renewed, continued, applied to our benefit. Jesus seems to say, “*My Cross was raised up 2,000 years ago, and only for a few hours—and very few of My servants were there—but I intend to bring millions into my Church. For their sakes then I will perpetuate My Sacrifice, that each of them may be as though they had severally been present on Calvary.*”

I will offer Myself up day by day to the Father, that every one of My followers may have the opportunity to offer his petitions to Him, sanctified and recommended by the all-meritorious virtue of My Passion.

Thus I will be a Priest forever, after the order of Melchizedek — my priests shall stand at the Altar—but not they, but rather I, will offer.

I will not let them offer mere bread and wine, but I Myself invisibly, while they perform the outward rite. And thus the Lamb that was slain once for all, though He is ascended on high, ever remains a victim from His miraculous presence in the Holy Mass under the figure and appearance of mere earthly and visible symbols.”

--Cardinal John Henry Newman

FORMED.org: Don't Take A Vacation From Your Faith

June 3rd we celebrate the Solemnity of the Most Sacred Heart of Jesus. FORMED.org (parish code 907571) offers e-book under Books: God is Love. Under Audio: The Saving Power of Divine Mercy and also 7 Secrets of Divine Mercy; and there is a great Movie: Ocean of Mercy. By the way, if you are enjoying these features, please thank Fr. Marx who has provided these resources for us.

REMINDER: In the Novus Ordo Liturgy, you may receive Holy Communion on the tongue or the hand, and you may kneel or stand. We must always approach our God with reverence and thanksgiving for His redemption. If you receive Holy Communion in the hand, you must remember that it is not appropriate to reach out and take the host. You extend your arm and open your hand with the other hand underneath supporting it. So also when you receive on the tongue, the communicant responds with Amen, and opens his mouth and extends his tongue. We also must help the priest not to lose even the smallest particle of the Blessed Host. Thank you. -- Father Louis

Modesty

“Since Catholic Churches contain Jesus’ Real Presence in the Tabernacle, they are the holiest places on earth; therefore, modesty must be specially observed in them. Modesty should also be specially observed in other sacred places (i.e. outdoor shrines, convents, rectories, seminaries, etc.)” --*Those Who Serve God Should Not Follow the Fashions* by Robert T. Hart
